

## **ACTinG Bulletin #3**

June 2024

### **Read:**

E-book (ten pages): 'Let's talk climate: a how-to guide  
5 simple tips to help friends and family start talking about climate change.'  
*'Because we can't fix what we don't talk about.'* (attached)

### **Watch:**

A brief introduction (4.33 minutes) to the world-wide Anglican Communion Forest, a global initiative of local activities: forest protection, tree growing and eco-system restoration. Find out what's happening and how you can join in.
